

LIBERTY FC Gives in 2014

PROJECT LIBERTY FC - Together We Can Help the World

PROJECT LIBERTY FC - Mission

To collect and send soccer apparel and equipment to less fortunate soccer players around the world.

In Fall 2013 Liberty FC changed to PUMA uniforms. Good time to donate previous Adidas uniforms to needy soccer players in other communities.

PROJECT LIBERTY FC - History

Club Director, Tavi Muresan, has spent 36 years of his life in three different Romanian cities.

- RETEAG (14 yrs): Tavi's birth place and current village where his mother and brother live.
- CLUJ (9 yrs): Attended high school, college and played professionally in this town.
- CUGIR (13 yrs): Where Tavi started his soccer coaching career and raised his family.

He has seen first hand the need for soccer equipment in all these places and it is a dream of his to help.

PROJECT LIBERTY FC - Objective

To donate gently used, or new, soccer apparel and equipment to Romanian communities. Our hope is to have enough items for all three places.

Liberty FC's long term objective is to be able to send items to other countries.

PROJECT LIBERTY FC - Volunteers

VOLUNTEER

To have this project be a success, we need YOU!
This is not a requirement of our Liberty FC members. We don't want to appoint people but rather have volunteers step forward who are excited about being involved, being a part of giving back.

If you want to help contact Kris Notarianni at knotar@zoominternet.net.

PROJECT LIBERTY FC - Contributions

Your donations of soccer apparel and equipment are very much needed and appreciated. However, we also need monetary donations so that we can ship all these items.

We will be selling short sleeved black t-shirts with our project logo in white on the front. All profits will go towards shipping and new equipment.

An order form will be emailed to you and put on the website soon!

THANK YOU!

We appreciate you coming tonight and taking time to find out about Liberty FC's new "goal" for 2014. Together we can help the world!
